

Recognizing the abundance of God's amazing grace...

We celebrate:

We are a collection of individuals from a diverse and evolving community with varied backgrounds and lifestyles. All of us have unique gifts from and relationships with God. All are welcome; we strive to recognize God in everyone. We are focused on the future, continuing to build on the work of previous generations and on the foundation of our joy in knowing God.

We support:

United in Christ, we support each other in our journey of faith, and encourage one another to reach beyond our comfort zones. We are a thinking church. We are also a church of action, not satisfied sitting on the sidelines of our community.

We serve:

We strive to let our actions speak loud and clear in North Liberty and God's world. Before our actions can speak, we must first listen to those around us including those who are commonly unheard. God can be known to others through the actions of God's people. We are the hands and feet of God, delivering God's blessings to anyone in need. For even Jesus did not come to be served, but to serve.
