Compassion Iowa Grant Update: We are beginning to think about whom will be part of the leadership team/board members as we plan for the future development of the pantry. Goals of the team/board will be to create a board, make additional connections in the community, and seek out funding for additional building space and a staff position. Please let Judy know if you are interested in being part of this team.

Gotcha

The mouse that was in the pantry has been caught. We are not sure how it got into the pantry, and we are hoping it is the only one. Please be sure to keep the door to the pantry CLOSED. Mice will run into the room if the door is left open. Please let operations team know if you see any future signs of mice.

Low on Food

The pantry has been low on food during the last week or so. The HACAP order is coming in tomorrow so we will have food again. We understand it can be frustrating to be low on food. Please let families know that we get donations throughout the month, and there will be more food again shortly.
