North Liberty Community Pantry had 4454 visits last year.

The economy has affected everyone but none more than low-income families, who were already struggling before lay-offs and work hour reductions hit our area. The North Liberty Community Pantry and the Johnson County Crisis Center are experiencing increases in requests for food assistance.

YOU CAN HELP!

Participate in the 2010 Thanksgiving in July community-wide food drive. All the food collected in North Liberty benefits the North Liberty Community Pantry. Drop off food/financial* donations at your local participating financial institution during the entire month of July. The financial institution that collects the most pounds wins the Traveling Turkey Trophy to display throughout 2010.

*(Tax deductible donations will be counted 4 pounds/\$1.)
